#SMUAGatHome

1. Come up with a one-word nickname, pet's name, friend's name, or cool name you have an attachment to.

e.g. Dracula, Ace, Swifti,  
Turbo, Blade, Trevor.

2. Make up a cool way to write it ... practice it a few times.

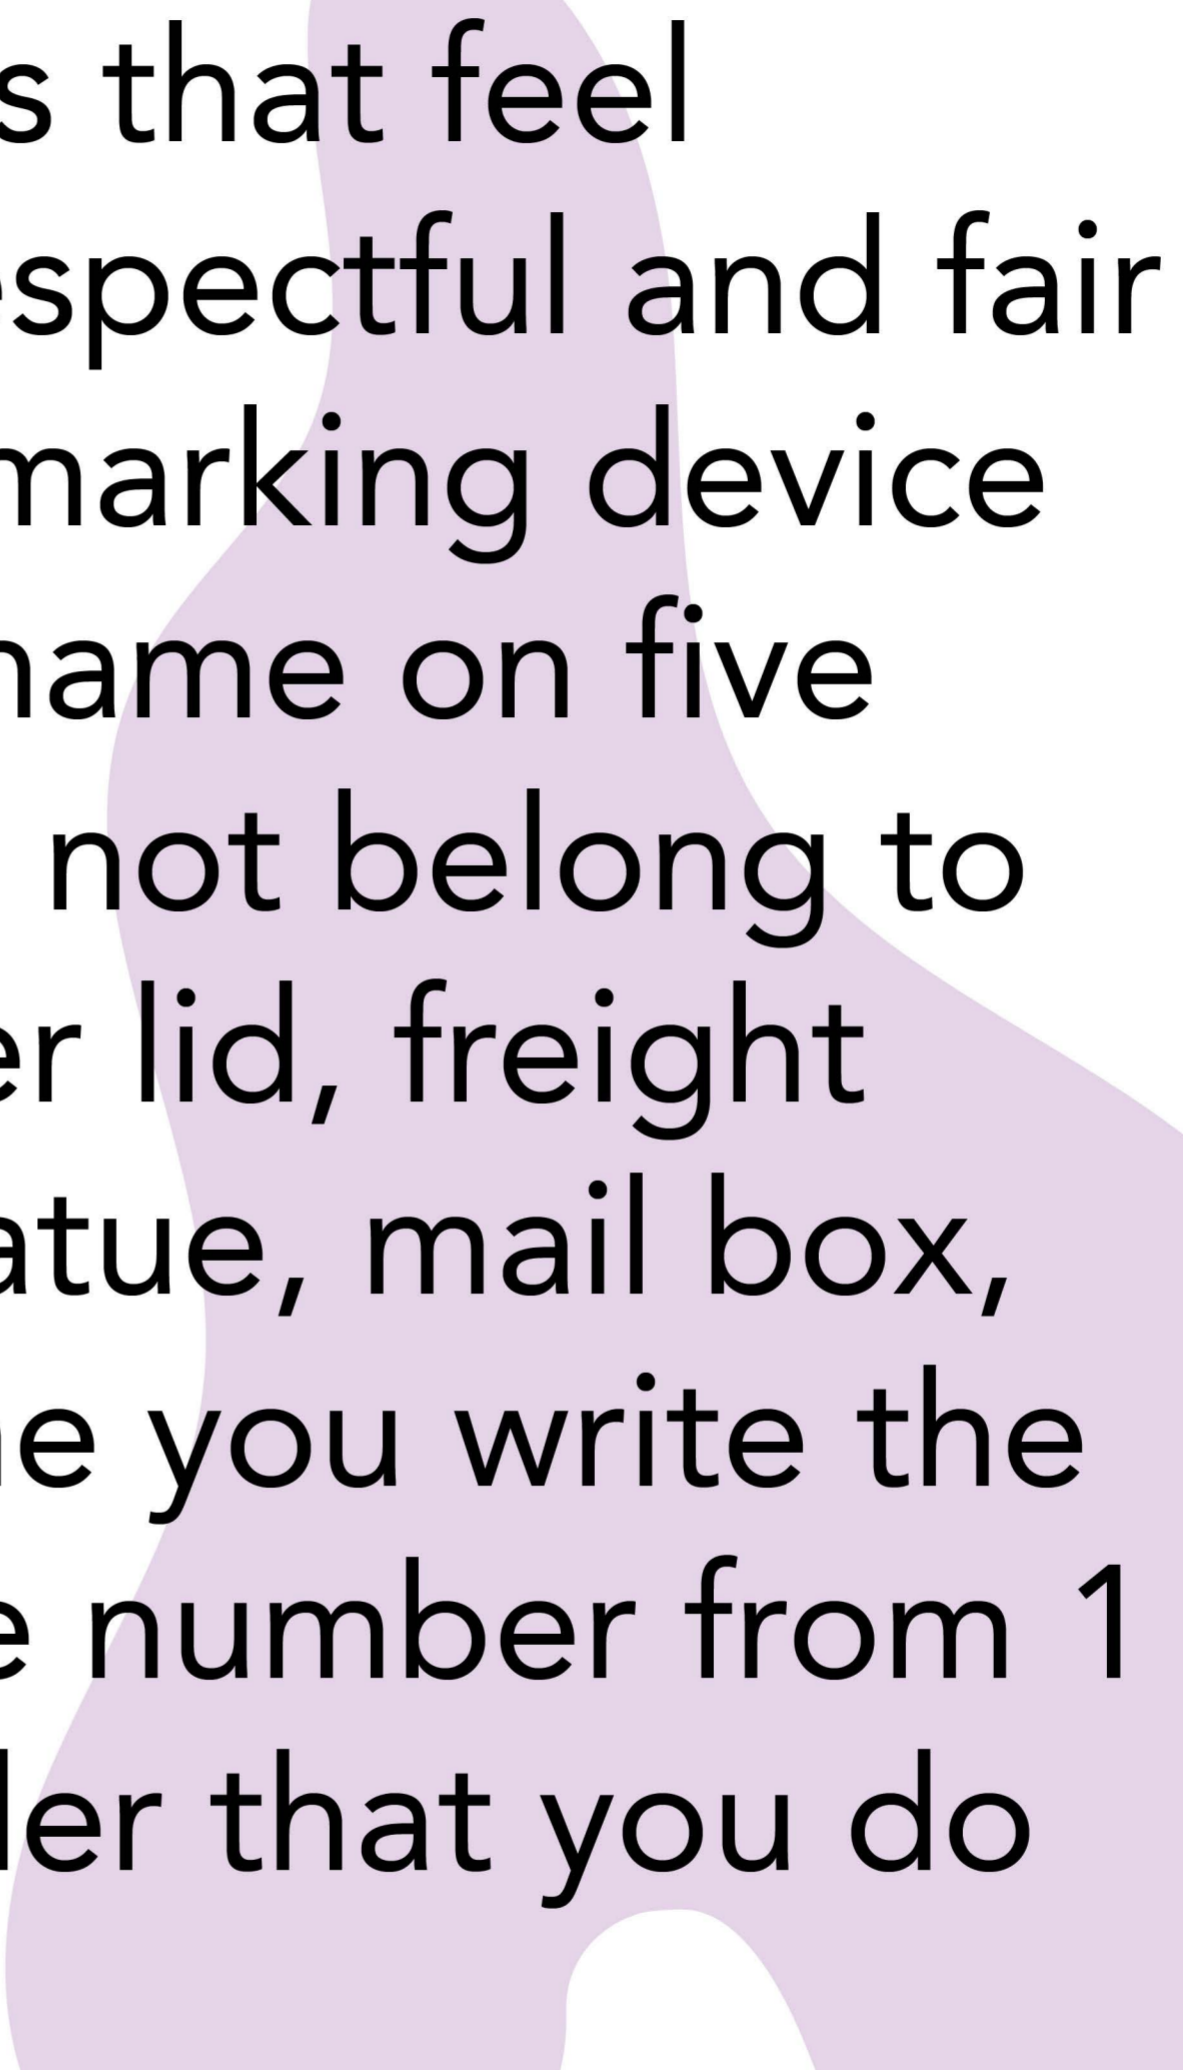

- WHEELZ ①

- WHEELZ TWO

- WHEELZ 3!

- WHEELZ IV

3. Within limits that feel reasonable, respectful and fair to you, use a marking device to write your name on five things that do not belong to you (e.g. sewer lid, freight train, racist statue, mail box, etc.). Each time you write the name, add the number from 1 to 5 in the order that you do them.

4. Don't get caught.

If you do, you can't say that you got the idea from me or SMU. (The first rule of art prompt is that there is no art prompt).

5. Wear your mask 'cause of COVID, but also 'cause it's harder for them to identify you if you get spotted.
